

Adventure Cycling Association

Thank you your interest in including Adventure Cycling in your will. Legacy gifts like these are very important to the future of our organization.

There are a few ways you can include Adventure Cycling Association in your will, but the most common is a general **bequest** in which you specify a specific dollar amount. We suggest the following language:

“I give, **bequest**, and devise (dollar amount or description of gift) to Adventure Cycling Association or its successor, 150 E. Pine, Missoula, MT, to be invested in its board-directed endowment fund.”

Our tax ID number # is 23-7427629 and the full name of the organization is "Adventure Cycling Association".

Bequest gifts are typically deposited into our endowment to help ensure the future financial stability of Adventure Cycling Association.
